Discussion Regarding NorthAmerican Association of Masters in Psychology Certification (NAMP)

The Committee reviewed and discussed the documents provided by NAMP regarding their certification. After the Board's May meeting NAMP was asked to provide some additional information regarding their certification. They did not provide all of the requested information. The Committee tabled this item to allow more time to review NAMPs code of ethics and compare it to NBCCs code of ethics, and to allow NAMP more time to present the requested information. Another committee meeting will be scheduled for 10:00 a.m., August 26, 2009, to continue this discussion.
